

## Transfer Printed Flame Retardant Fabrics\*

Savoy is a classic damask inspired collection of contemporary colour ways with coordinating stripes and plains to provide a sophisticated look to any bedroom or public area. Ambience is an invigorating collection of vibrant florals with companion designs of a stripe and semi plain, they will enhance any room.

These striking designs can be printed onto a variety of different fabrics, including lightweight fabrics for bedding, curtain fabrics and a selection of hard wearing upholstery fabrics. Any design, on any base cloth. Choose your design from the options below and your base cloth from pages 72 and 74.
