

Blackout Flame Retardant Linings* Continued

We've built an international reputation for our extensive range of Flame Retardant Blackout Linings by working closely with finishers around the world to manufacture the highest quality products. We make many of our blackout linings in both single and double width fabrics to save you time and money. Our Odyssey range of coloured blackout fabrics double as coloured

linings or as single layer face fabric. Whether you opt for the economy of a 2 Pass blackout or choose a 3 Pass for its ultra-luxurious appearance; if you need extra body or a supersoft handle you'll find the perfect fabric in our collection.
