

Duoline Flame Retardant Bonded Interlinings*

Edmund Bell's Duoline Bonded Interlinings are available in a choice of linings, each one created to add a luxurious drape effect to your curtains while speeding up your manufacturing process to save you time and money. We also stock bonded wadding which can be used to

dramatically improve the drape of heavy curtains or add body to more light weight fabrics. Talk to our sales team for more advice on the bonding capabilities of our FR fabrics.
