

## 3 Pass Blackout

As a market leader in blackout curtain solutions, Edmund Bell has responded to the dramatic rise in the use of blackout linings, by producing a wider selection of products for use in a variety of settings. Our innovations include the Odyssey Home Coloured Blackout, a high

quality 3 pass blackout lining with light exclusion and thermal properties, available in a choice of 20 colours; to the Drapewell and Eclipse 3 pass ranges, which combine all the properties of effective blackout fabric with a soft handle and value for money price.

Product Code	Product and Description	Finish	Composition	Weight	Colours Ref. No.	Width	Average Roll Size	Notes
6950	<b>OUTBLACK SILK</b> <i>The highest quality blackout curtain lining that we supply which combines a beautiful soft handle. Manufactured by using microfibre yarns they create the ultimate soft handle blackout fabric that is ideal for adding extra body to high quality lighter weight face fabrics, whilst improving draping qualities.</i>	3 Pass	100% Polyester Microfibre	256gms/sqm	Cream, White	137cm	50m	
6268	<b>OUTBLACK ORIGINAL</b> <i>Exclusive to Edmund Bell, OUTBLACK is the No. 1 when it comes to blackout linings giving the ultimate in protection against UV rays, by excluding the light and because of the coatings the thermal qualities will help to keep heat in during the winter and keep your room cooler in the summer. The use of a 100% cotton face gives a natural feel to the fabric whilst reducing the appearance of needle marks during manufacturing.</i>	3 Pass	100% Cotton	280gms/sqm	Cream, White	137cm	50m	
6987	<b>ODYSSEY HOME Coloured Blackout</b>	3 Pass	50% Polyester 50% Cotton	300gms/sqm	20 Colours	137cm	50m
