Our flagship Platinum Collection of 72 x 116 pick cotton sateen linings is manufactured using only the highest quality yarns and raw materials and processed in the UK so we can ensure exceptional quality standards. The weaving process gives the fabric an added density that promises the ultimate protection against strong sunlight and environmental soiling,

Choose from three excellent finishes: the Platinum Original Standard, which gives a crisp handle; the Platinum Plus crease resistant finish, ideal for speeding up the curtain making process; and the ultimate finish, Platinum Plus, with a Teflon coating for high grade resistance to moisture and soiling.
