

# Polyester Cotton Twill

At Edmund Bell, we regularly prove that quality and value can go hand in hand. The price is right on our range of polyester cotton linings in plain and twill weaves – and so are the shrink resistant, crease resistant and easy care qualities it combines.

Our poly cottons come in a variety of widths, weights and colours and are ideal for lining curtains and bedspreads, for use as sheeting and making quilted products.

Product Code	Product and Description	Construction	Composition	Weight	Colours Ref. No.	Width	Average Roll Size	Available as	Notes
