

Thermal Linings

When insulation is a priority, our selection of thermal linings offers a choice of quality and economy to meet every need. Raised on one side, our Napped Cotton Sateen is the answer for more lightweight fabrics and an ideal way to improve the drape of Roman Blinds. All our thermal single pass linings are suitable for dry cleaning.

Product Code	Product and Description	Finish	Construction	Composition	Weight	Colours Ref. No.	Width	Average Roll Size	Notes
